Sierra Pacific Engineering and Products is an employee-owned company. Its employees work to further the mission of SPEP while simultaneously providing top-quality goods to our valued clients. Based in Long Beach, California, it is a custom manufacturer of industrial hardware supplies for professionals. SPEP continually strives to improve the quality of its products by fine-tuning current designs to make them even more functional and practical. SPEP is known for using top-of-the-line materials, employing the most skilled design engineers, and producing high-quality hardware such as latches, hinges, and cam locks. SPEP supplies a full line of hinges, locks, bolts, handles, and latches. They specialize in developing custom hardware items to meet the specific needs of its diverse customer base.
