First Impressions International, Inc. manufactures and distributes decorative door hardware in Deerfield Beach, FL. The company specializes in decorative door hardware for doors, appliances, pocket doors, and door stops, specifically for the commercial, residential, and hospitality industries. It has the means to fabricate just about anything the client requires. Available materials include Brass, Aluminum, Stainless Steel, Acrylic, Wood, and Titanium. Its skilled engineers and craftsman can bring any residential or commercial project from concept to completion. First Impressions International has helped customers develop one-of-a-kind handles and pulls to upgrade the experience of opening doors. Cast logotypes, machined monograms, and sculpted objects that symbolize a company's heritage convey that something special awaits your visitors upon arrival.
