Great Lakes Lifting Solutions is your authorized Illinois Spydercrane & Wood's Power-Grip® dealer and exclusive Midwest SmartLift® distributor\*. We offer sales, rentals, and service on new and used mini crawler cranes & glass lifting machines. Over the years, our clients have built some amazing things with our innovative machines - What can we help you build? As an official Spydercrane dealer, Great Lakes Lifting Solutions in Country Club Hills, Illinois, offers a full rental fleet and service center and provides nationwide sales, rentals, and repairs on all models of Spydercrane mini crawler cranes: w295, w376, w546 & w706. Easily lift & position straight or curved pieces of industrial and commercial grade glass sheets, windows, and doors with these intelligent glass lifting machines from SmartLift®. Let SmartLift® do the heavy lifting for your team while saving time and helping to create a safer, worker-friendly environment on the job site. The Spydercrane has revolutionized the construction and building industry by providing the most compact, versatile, and efficient hydraulic crane. The company is also the US importer of the SmartLift Mobile Glass Manipulator.
