Libertyville, Illinois 60048
United States

Phone: (847) 362-2448
Fax: (847) 362-9693

The Vanderwerff Construction Company has stayed close to home, cherished its values and neighbors, and kept listening to its clients. Today, the company designs, build & remodel industrial structures, historical buildings, churches, banks, auto dealerships, and office buildings, including retail, dental and medical facilities. Vanderwerff Construction has a LEED Accredited Professional on staff and is an EPA Certified Lead Safe Firm. They focus on sustainable building materials and techniques, helping your organization stay healthy and productive. The company has been building a difference throughout Chicagoland, IL, since 1918.
