801 Avenida Acaso
Camarillo, California 93012
United States

Phone: (800) 413-8783

Security Door Controls (SDC) develops, manufactures, and markets mechanical door locks and exit devices, access controls, electronic locking devices, and security systems worldwide. Since 1972, SDC has been dedicated to designing and manufacturing innovative Access Control Hardware and providing exceptional engineering services and customer support. SDC's diverse product lines enable SDC sales engineers to provide the appropriate access control products and systems based on building code criteria and facility security needs. SDC brand products are channeled through security products, wholesale distributors, systems integrators, contractors, and door hardware distributors. The Security Door Controls (SDC) catalog includes documents, datasheets, templates, installation instructions, and price sheets. The SDC catalog also includes a section on accessories, including surface mounts.
