Ventura, California 93003
United States

Phone: (805) 643-4387

Ez-Rig Cranes, Inc. in Ventura, California, manufactures their patented Portable Rigging Cranes. Ez-Rig Cranes' unique design originated as a combination engine-hoist/engine-stand for lifting heavy loads, but quickly developed into a compact and portable rigging crane with virtually unlimited uses. Ez-Rig Cranes products are manufactured in Southern California.
