Coldstat Refrigeration & HVAC is a commercial refrigeration and HVAC contracting firm headquartered in Paramus, New Jersey. The company offers a complete line of services for commercial refrigeration and freezers, air conditioning, walk-in freezers and coolers, ovens & stoves, ice machines, and more. As the licensed contractor for an uncommonly long list of refrigeration manufacturers, Coldstat has the distinct advantage of determining a far more customized solution that will be more cost-effective and better suited to your needs. It also demonstrates the high level of trust that an overwhelming number of top industry manufacturers have in Coldstat. Coldstat Refrigeration has served New York City, New York State, New Jersey, and portions of Pennsylvania for over 40 years.
