KIKGARD, Inc., in Tomball, Texas, is a hardware manufacturer, and makers of the KIKGARD™ a home security device. The KIKGARD Shield virtually turns your wooden doorjamb into steel. Once you see how simple and highly effective this patented doorjamb reinforcement device is, you'll never build - or live in - another home or apartment that doesn't have the KIKGARD installed on all exterior doors. KIKGARD™ home security device is protected by U.S. Patent 6,082,049.
