In Mission Hills, CA, Julian's Porcelain & Fiberglass has been family-owned and operated locally since 1980. This family-owned business in Mission Hills, CA, specializes in porcelain and fiberglass refinishing bathtubs, showers, sinks, tile, and countertops. The company is a C-61 specialty California Contractor's State Licensee, allowing it to work with fiberglass, plastic, and synthetic products, and offers porcelain and fiberglass refinishing bathtubs, showers, sinks, tile, and countertops. The business also refinishes pools, spas, and pool slides and offers the sale and installation of new shower doors, tub enclosures, and walk-in tubs.
