Alpha Foundation Specialists offers foundation and crawl space services in Tallahassee, Florida, and the surrounding region. This full-service foundation specialist company was established in North Florida in 2002. It provided various services, including foundation piercing systems and crawl space repairs for homes, commercial buildings, and industrial facilities throughout northern Florida and southwestern Georgia. AFS also has facilities like Miramar Beach, Gainesville, and Jacksonville, Florida. If you spot wall cracks, drywall nail pops, uneven floors, and settlement throughout your house, it could be because your foundation is settling due to damaged soil. Alpha Foundations is the expert in foundation leveling, structural stabilization, and repairing cracked, bowing, and buckling residential and commercial foundation walls. Call AFS today for a free foundation repair estimate and see what it is about Alpha that makes it a great company to work with. Get in touch with a representative who can get you the help you need to address your water mitigation and management needs and protect your home.
