Commercial Industrial Supply (CIS) is a leading provider of industrial PVC products headquartered in Rock Hill, South Carolina. CIS serves a broad range of industries and carries a diverse selection of top-quality supplies, including PVC Pipe, PVC Fittings, and PVC valves that help professionals like YOU in the United States and other countries worldwide get the job done. Also, CIS carries a vast selection of liquid and chemical handling products from some of the best brands in the industry. The company's website offers a Resource Center page providing a wealth of information on their products and a downloadable Product Line Card, a quick reference sheet of what CIS sells, and the premium brands they represent.
